# How to Fill out Tables

If you answer "1.Yes" in Q2-Q4, please fill out " I Financial Interests" in Table A.

If you answer "1.Yes" in Q7, please fill out " I Financial Interests" in Table B.

Companies/  
Organizaitons  
Name

Please write name of companies or organizaitons which you are related to.

I -A

Please choose a content of academia-industry collaborations from 14 choices below, and write the number in I - A.(Estimated ones are also included.)

Number	Contents	
1	Salary	} ※In case you have recieved more than 1 million yen as personal income in a year from the same company/organizaiton. (FY2020,FY2021)
2	Remuneration for side jobs (Excluding for medical care)	
3	Reward (for lectures, etc.)	
4	Payment for manuscripts	
5	Payment for consultants	
6	License fee (Royalty, etc.)	
7	Other donations	
8	Being appointed director, etc. (You already got permission to be.)	
9	Being appointed director, etc. (You have applied to get permission to be.)	
10	Being appointed director, etc. (You are going to apply to get permission to be.)	
11	Ownership of unlisted shares (if you have 1 or more shares)	
12	Ownership of listed shares (if you have 5% or more of outstanding shares)	
13	Ownership of share warrant (unexercised)	
14	Others (in case of recieving more than 1 million yen as personal income in a year from the same company/organizaiton.)	

I -B

Please write your role in I -B if you have been apported an exective or a director, etc.

I -C

Please write the amount of income in I -C if you have recieved, or are going to recieve more than 1 million yen in a year from the same company/organizaion.

I -D

Please write total time you have spent on side jobs in a year if you have them.

I -E

Please write the amount and possession rate (the persentage in total outstanding shares) if you own equities.

III

Please write details about academia-industry collaborations, the range of report, or other comments in particular in III if you have.

If you answer "1.Yes" in Q5~Q6, please fill out " II Academia-Industry Collaborations" in Table A.

Companies/  
Organizaitons  
Name

Please write name of companies or organizaitons which you are related to.

II -A

Please choose a content of academia-industry collaborations from 13 choices below, and write the number in II -A. (Estimated ones are also included.)

Number	Contents	
1	Collaborative research	} ※In case you received more than 2 million yen from the same company/organizaion. (FY2020,FY2021)
2	Consigned research	
3	Contribution	
4	Research grant	
5	Private donation maintained course	
6	Commission of committee member, etc	
7	License or transfer of intellectual property rights	
8	Technical training	
9	Acceptance of visiting researchers and	
10	Request of experiment and analysis	
11	Device supply	
12	Others (in case you received more than 2 million yen in a year from the same company/organizaion.)	
13	Health and Laborscience Rsearch grants, occupational injury clinical research operating expenses or Japan Agency for nedical Research and Dvelopment(AMED)	

II -B

In II -B, please write the time and period of working or contract you chose in II -A.

II -C

Please write the amount in II -C. ※It is fine to write it as far as you know or estimate it in coverd period.

III

Please write details about academia-industry collaborations, the range of report, or other comments in particular in III if you have.

# FY 2022 Self-Report on Conflict of Interest

Period covered April 1, 2021 - March 31, 2023 (Including anticipated future financial interest / activities)

※Please make sure to submit answering Q1 and Q7 even if you are not relevant to conflict of interest.

Mr. Chairperson of Conflict of Interest Committee, University of the Ryukyus

I here by report the conflict of interest related to academia-industry collaborations based on article 22, Conflict of Interest Management Provision.

Date	Year	2022	Month	June	Day	10
Affiliation(Faculty)			(Department)			
Job title	Professor					
Name	RYUKYU Taro					

Please answer the following questions about academia-industry collaborations in which you or your husband/wife, parents, and sons/daughters have been engaged, or plan to do. The collaborations are provided for in Article 3, Self-Report Implementation Guidelines about Conflict of Interest in University of the Ryukyus.

## Academia-industry collaborations you have been engaged in, or plan to do

※Please choose number 1 or 2

Q 1. Have you been engaged in any academia-industry collaborations in FY2021 and FY2022, or do you have any plans of them in FY 2022?

1. Yes → Please answer Q2 - Q7    2. No → Please answer Q7    Answer

Academia-industry collaborations include side jobs (part-time instructor included), lectures, writing manuscripts, consultants, being executives, possession of equities, collaborative researches, consigned researches, contributions, research grants, Health and Laborscience Research grants, occupational injury clinical research operating expenses, Japan Agency for medical Research and Dvelopment(AMED), private donation maintained courses, licenses or transfers of intellectual property rights, acceptances of visiting researchers and postdoctoral researchers, and device supplies.    ※Please choose "2. No" if you have received/are going to receive only medical treatment fees.

Q 2. Do you earn over 1 million yen in a year from the same company or organization by income, side jobs (part-time instructor included), lectures, writing manuscripts, consultants, or royalties? (Excluding medical treatment fees)

※Companies and organizations include private companies, general incorporated association, judicial foundation, nation, local public organizations, independent administrative institutions, medical corporations, educational foundations, incorporated nonprofit organizations (NPO) and national research and development agency.

1. Yes → Fill out Table A    2. No    Answer

Q 3. Are you involved with management (being an executive, an advisor or a consultant) of any companies or organizations which are related to academia-industry collaborations?

1. Yes → Fill out Table A    2. No    Answer

Q 4. Do you own any equities※ of the other parties in academia-industry collaborations?

※Equity means listed/unlisted shares, funds, stock options, and beneficial interests.  
 ※In terms of listed shares, answer "1. Yes" if you own more than 5% of outstanding shares from the same organization.

1. Yes → Fill out Table A    2. No    Answer

Q 5. Have you received more than 2 million yen altogether in a year(Including this year's plan) from the same company or organization in academia-industry collaborations? The collaborations include cooperative researches, contract researches, contributions, research grants, private donation maintained courses, commissioner, licenses or transfers of intellectual property rights, technical training, acceptances of visiting researchers and postdoctoral researchers, experiment and analysis requests, and device supplies.

(Answer Health and Laborscience Rsearch grants, occupational injury clinical research operating expenses or Japan Agency for medical Research and Dvelopment(AMED) in Q6.)

※As for contributions which research laboratory (in any fields or medeical department, etc.) receives, the head of the laboratory should report all of them unless a particular researcher is appointed to report.

1. Yes → Fill out Table A    2. No    Answer

Q 6. Do you accept Health and Laborscience Rsearch grants, occupational injury clinical research operating expenses or Japan Agency for medical Research and Dvelopment(AMED)?

If there is an acceptance(Including this year's plan), please fill out Table A Academia-Industry Collaborations regardless of the amount. In addition, if you are a research participant who is not allocated research funds, please fill out Table A.

1. Yes → Fill out Table A    2. No    Answer

## Academia-industry collaborations your husband/wife, parents, or sons/daughters have been engaged in, or plan to do

※Please choose number 1 or 2.

Q 7. Are there any that your husband/wife, parents, or sons/daughters will be in relation, such as Q2 - Q4 above, to companies or organizations our uuniversity are related to in academia-industry collaborations?

1. Yes → Fill out Table B    2. No → Done    Answer

※Please write the details about your answers in Q2 - Q7 into Table A below.

Please see the attachment "How to Fill out Tables."

**Table A** Academia-industry collaborations you have been engaged in, or plan to do

Companies/ Organizaitons Name	I Financial Interests (Details about Q2~4)					II Academia-Industry Collaborations (Details about Q5~Q6)			III Other comments in particular
